OUR MISSION

To be a dedicated, passionate, and trusted team of event professionals committed to providing extraordinarily, flawless, timeless, unforgettable experiences, of the highest quality to our clients.

OUR VISION

Creativity and Beauty can be derived from simplicity.

OUR VALUES

Integrity: We provide a full detailed list of services that we offer to our clients.

Passion: We believe in not only meeting expectations, but to exceed them as well.

Creativity: We work as a collaborative, energetic, and innovative team.

Professionalism: Our clients are our top priority, and we treat them with the utmost respect and courtesy at all times.

Quality: We have working relationships with vendors who share the same values and mission in all fields.

OUR DREAM

We, as a team, share one dream, to be a global icon in events planning.

WEDDINGS:

We in Q8 Planner we believe that (Weddings) it's all about the memories of a Bride with her family and friends in "Night of the lifetime", so we take the bride's personality and spirit into the wedding theme and decorations. We start with colors and material to highlight the wedding theme; from that, we take the bride's requirements and fuse them with our creativity to deliver a result more significant than any expectations. If you are planning a big wedding in a grand hotel ballroom, or thoroughly enjoying the warmth of your house with family and closest friends, we care for all.
