

BARCELONA WEDDINGS

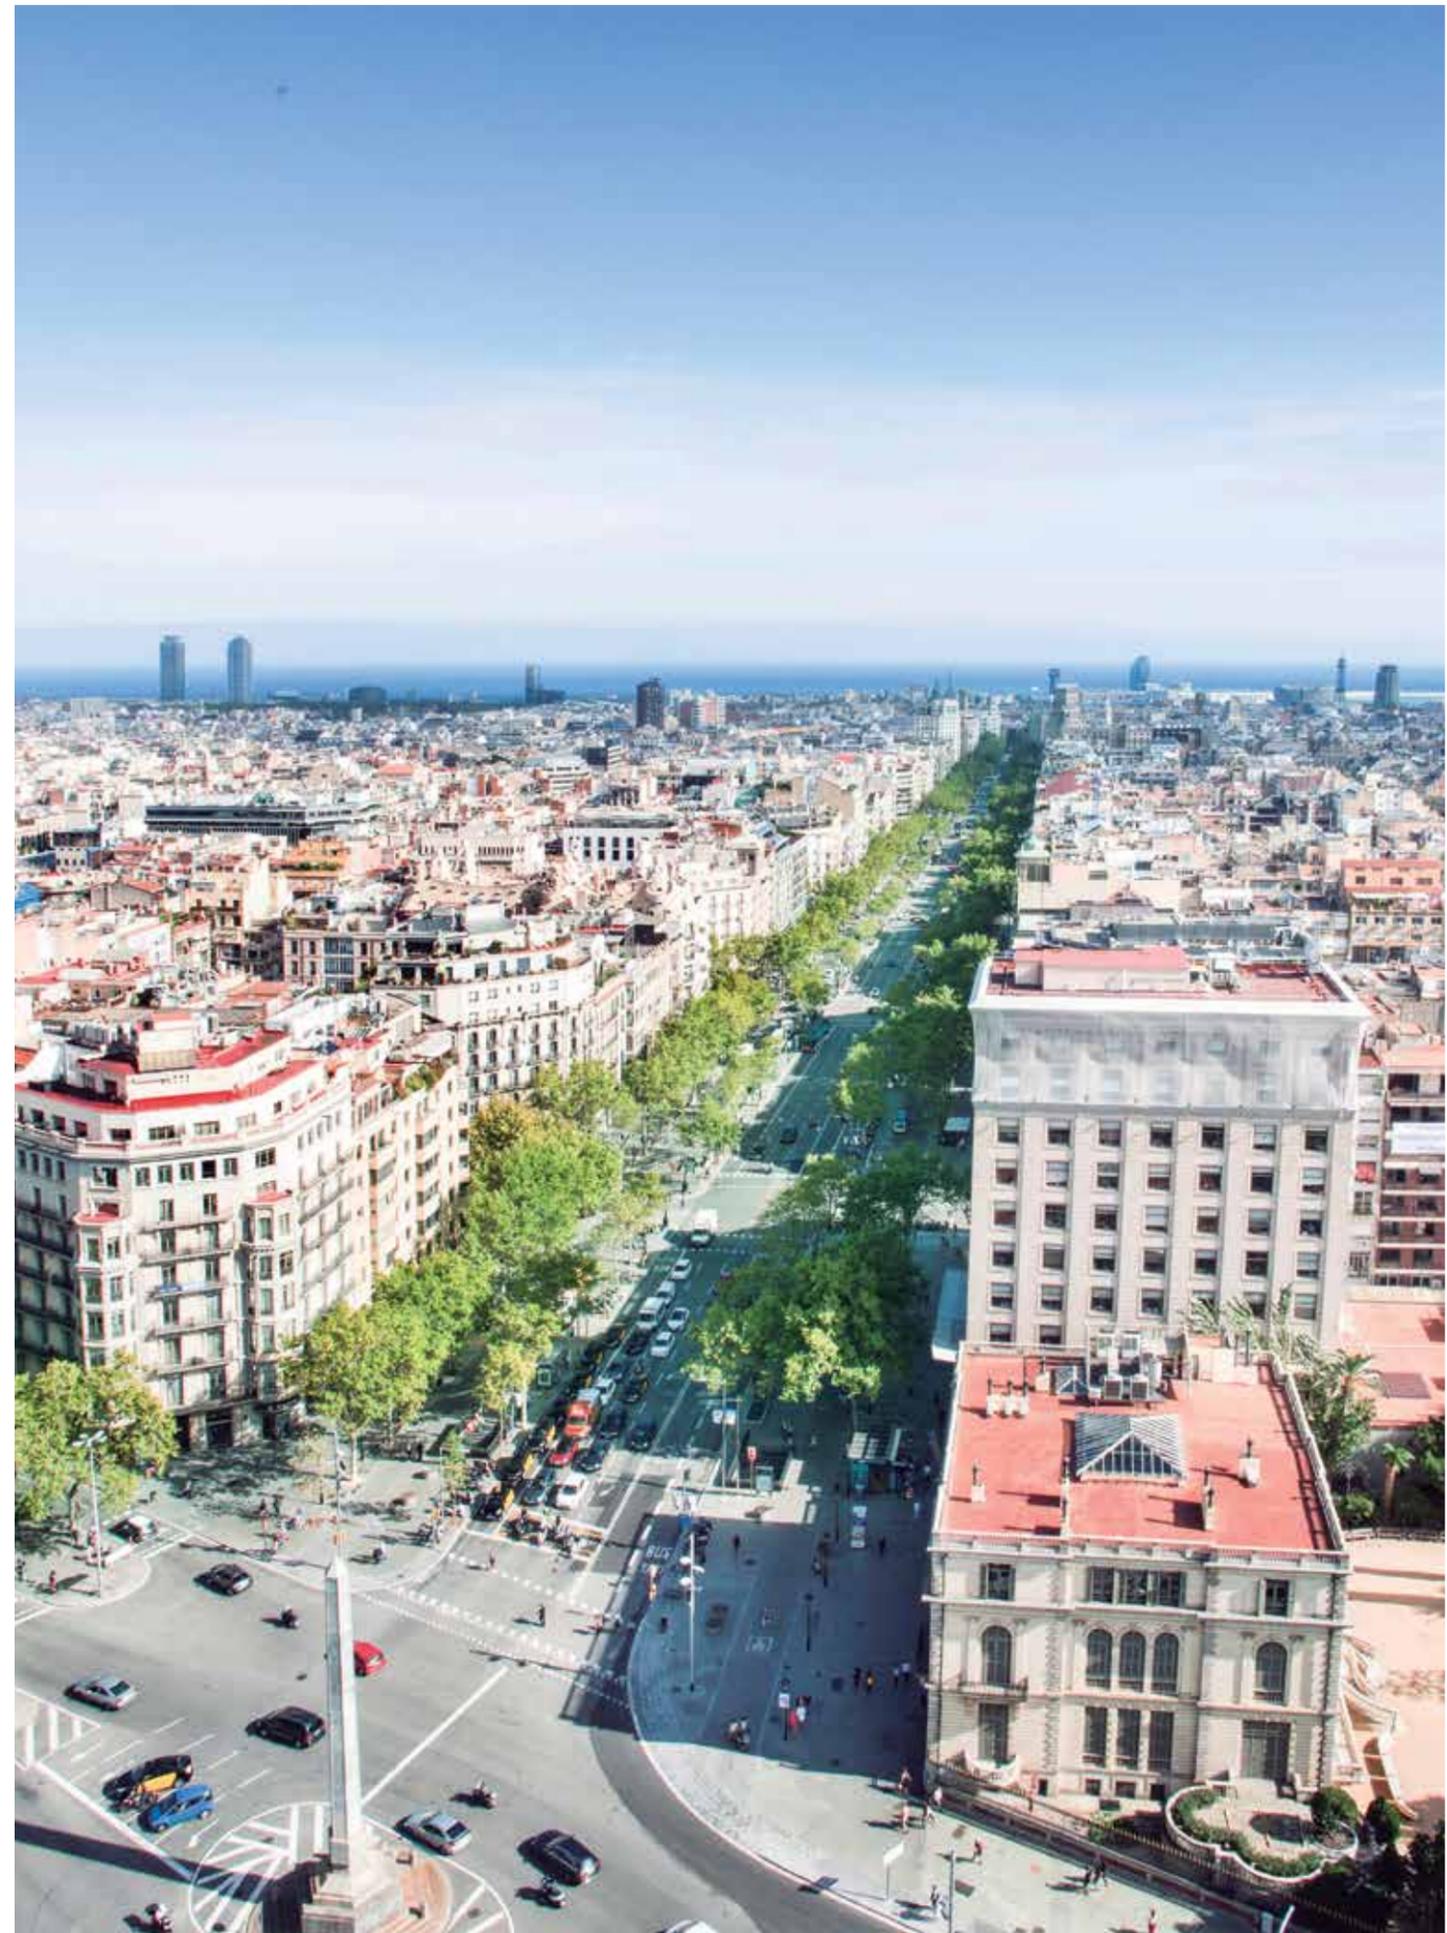

THE IMPORTANCE OF SMALL DETAILS

Barcelona

A very special city. Barcelona.
Unique. A unique city. Historic yet modern.
The Mediterranean. The sunshine. The light.
Millennia-old history, heritage, culture, art.
Picasso. Miró. Dalí. Tàpies. Gaudí, Domènech i Montaner...
Architecture, design, gastronomy. Quality.
The pavement cafés, balconies, streets. The people. The smiles.
A multicultural city and a crossroads of myriad cultures.
The city. Barcelona, dynamic and welcoming.

Details. The importance of the small details.

Weddings

A landmark occasion. A wedding.

Details. The importance of the small details.

The dress, the arrival of the guests, the ceremony, the flowers, the veil.

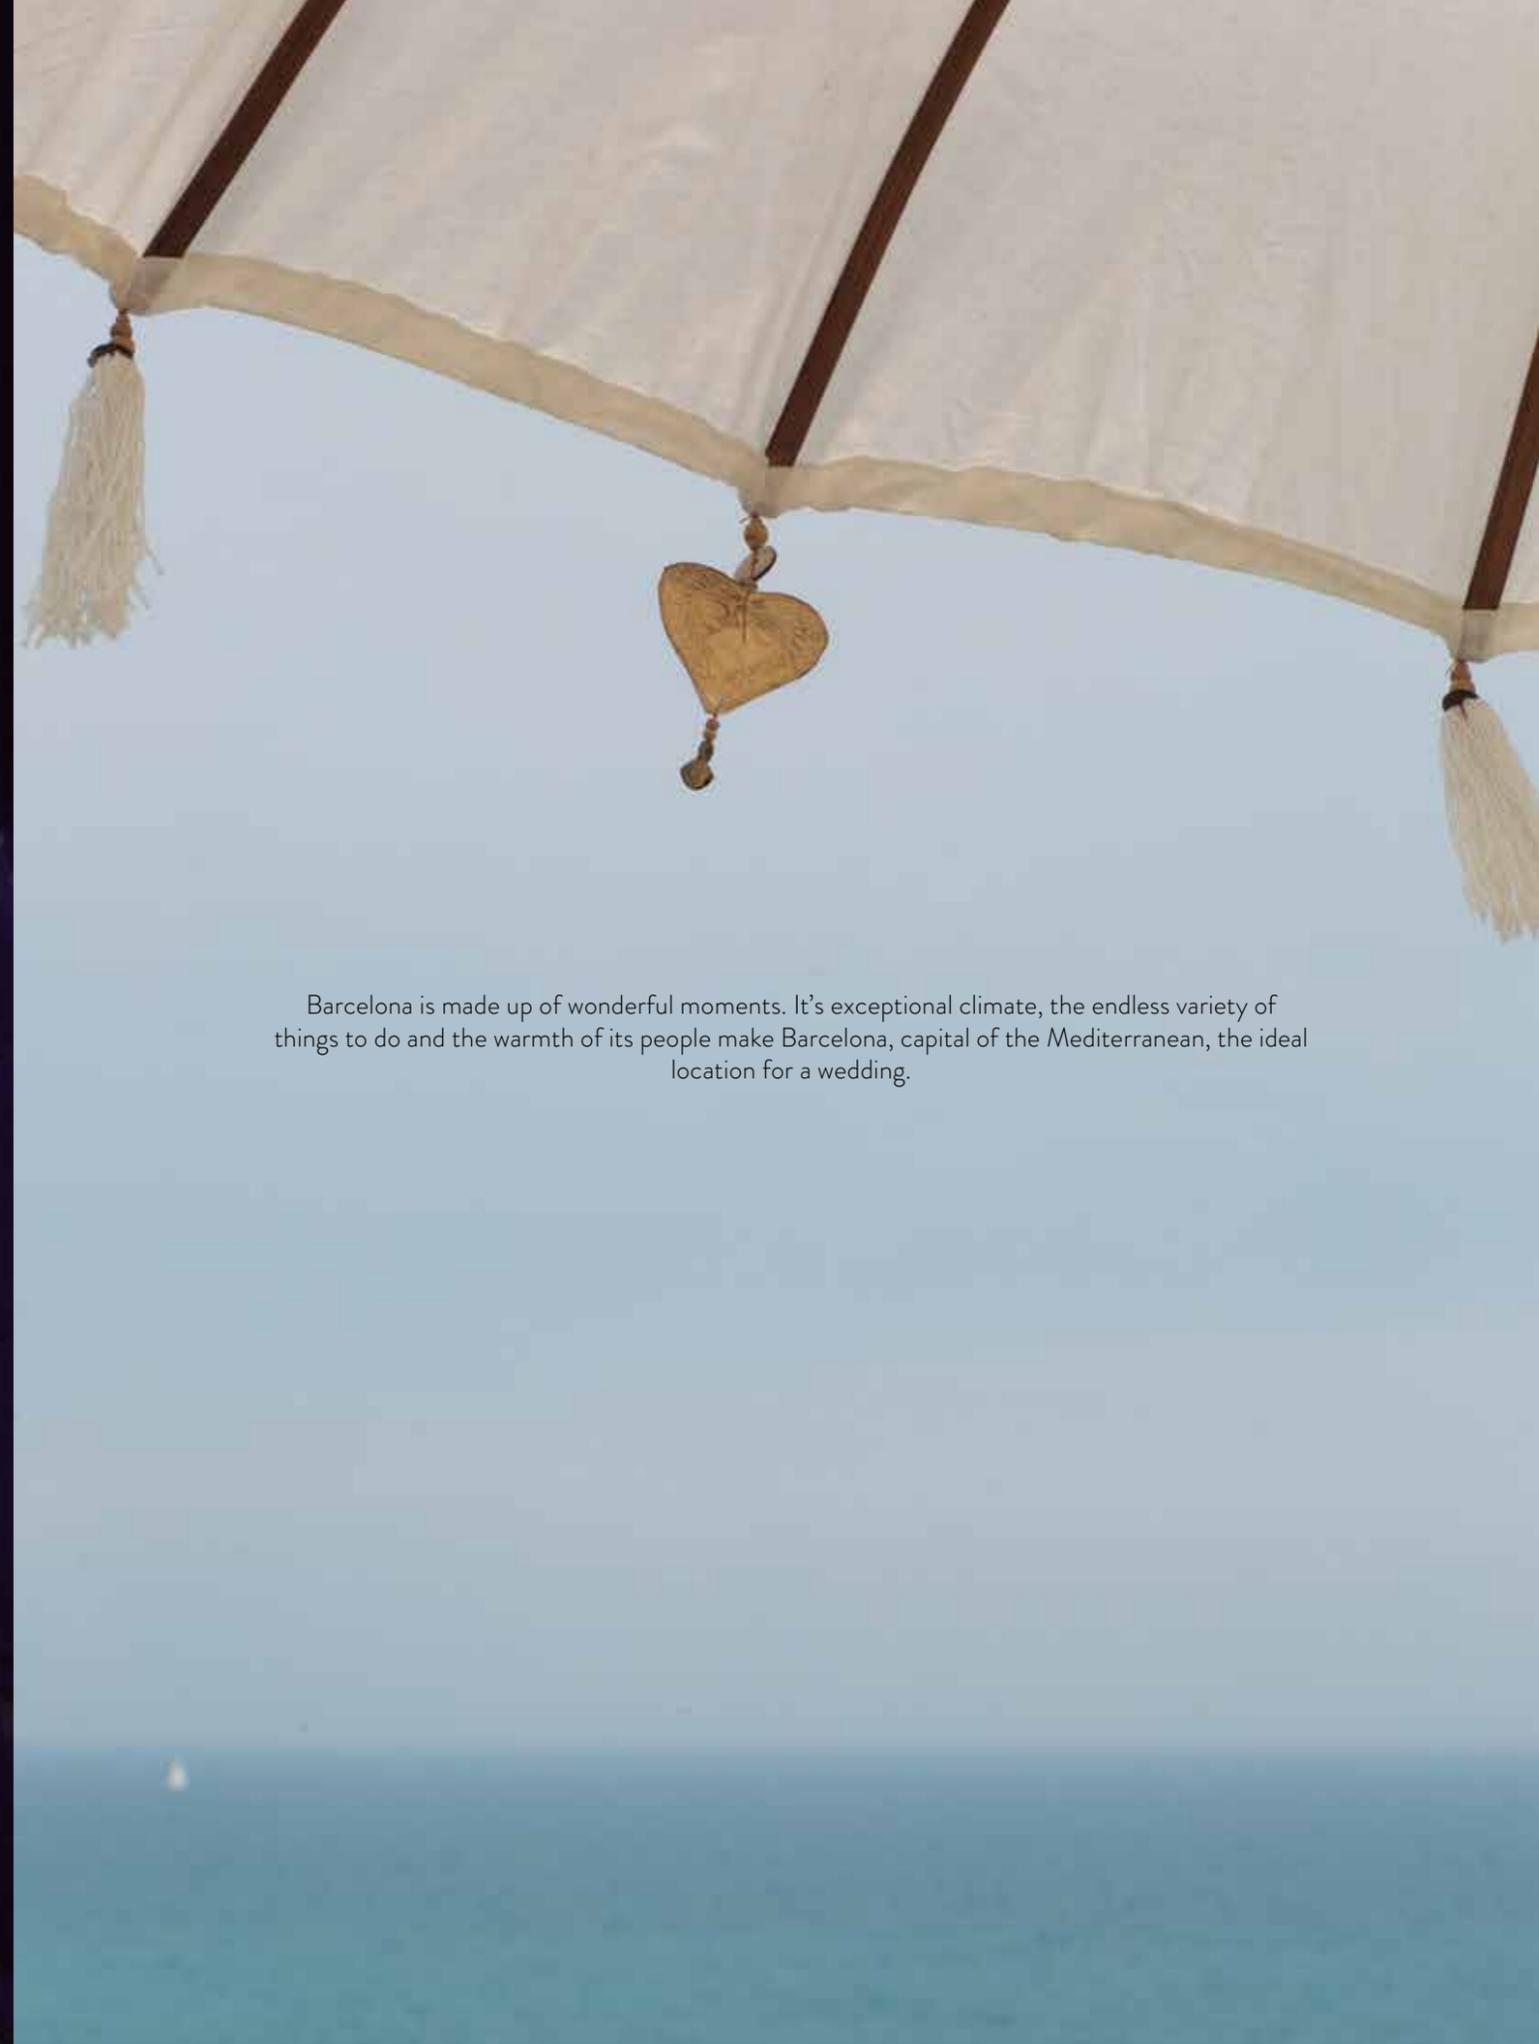

The menu. The family dinner the night before. The car. The décor.

The venue. Will they like it? Will it live up to expectations?

The hotel. The guests' hotel. The menu. The wines.

The dance. The night.

Details.
