ABOUT US

M.O. weddings - **bespoke** wedding planning and design company, based in Cyprus. Since **2015** we create stylish, unique and soulful weddings.

At M.O. weddings we understand how difficult it is to plan a wedding from a distance. When you entrust us with your wedding in Cyprus, you can relax and be assured that **everything is under control**, double checked and all timelines are duly respected.

It's very important for us to organize efficiently your wedding, in order to make you feel confident, calm and secure. This has always been confirmed by the **positive comments and kind feedback** we get from our clients.

We have good knowledge of the island and its culture. We keep **high standards** and work only with the best and most reliable suppliers. **We put our soul into every project**, because we really love what we do and this is appreciated by our clients.
