Fairytail wedding in Venice

180 international guests arrived in Venice
for 3 days celebration.

PORTFOLIO

Rehearsal dinner took place at the ancient Palace with the Grand Canal view, for Wedding ceremony and reception the island of Roses was chosen and for the final day we planned a cozy brunch at the typical venetian restaurant.

3 completely different venues hosted this magical fairytale. To bring to life a fairytale Wedding, more than 250 people were involved. From meet & greet VIP service to concierge, from R&D for the bride's dress to a bespoke logo properly made for the occasion for all the stationery. An impeccable planning: accommodation for friends and family, hostesses and assistants, vintage Porsche delivered to the island and an 8 layers monumental incredible cake. Beautiful beginning for the amazing life together.

Gold is everywhere: from food & drinks to costumes & decoration, to remind the Golden Age of opulence and no limit luxury. The dream team was composed by the 3 Starred Chef Massimiliano Alajmo, who catered the Gold Menu with real gold leaf added to every dish, by Julia Shakirova, famous Russian decor designer for the gilded decoration, and by the performing the best talented artists for the most intriguing Gold Dinner Show.

Magnificent Wedding at Como Lake

A very cozy wedding with
only 30 international guests.

PORTFOLIO

Our couple was dreaming about open space wedding, wonderful landscapes and beautiful surroundings. Lake Como was the perfect match for a Luxury Destination Wedding. With its deep blue waters, set against the mountains in the background, Lake Como has been praised for its beauty for centuries.

Not by chance a great number of breathtaking villas owned by Italian aristocrats are placed here. Beloved of film-makers, who've used the lakeside setting in a string of movies including Star Wars and Casino Royale. Exactly this villa has been chosen by our couple for their intimate Wedding.
