

## THE COMPANY

Established in 2007 in Lisbon, Portugal, by owner and creative director Jasmine Lazzari, The Wedding Co. is a prestigious event planning and design company.

Jasmine lived in London for twenty two years before settling in Lisbon, Portugal.

An expert in the organisation of luxury events in Portugal, Jasmine's creative vision and innovative design skills have shaped many events for international clients over the years.

Our experienced and multilingual team spare no detail when it comes to personalising unforgettable destination weddings and experiences.

The wonderful recommendations from our international couples and the appreciation we receive from their guests are proof that our work and dedication are highly valued and indispensable to the intricacies of such a special day.

## SERVICES

We work with great passion and precision in order to deliver a wide range of exceptional wedding services.

With our vast network and knowledge of Portugal we help you find the venue of your dreams.

We source the best local and international vendors and collaborate closely with them to deliver a flawless and unique experience. From managing the event budget to creating detailed mood-boards, our team can also take care of all travel logistics and concierge services.

Esteemed for our discretion, accuracy and years of expertise in the luxury market, we are dedicated to offering you and your guests an exclusive and memorable event.

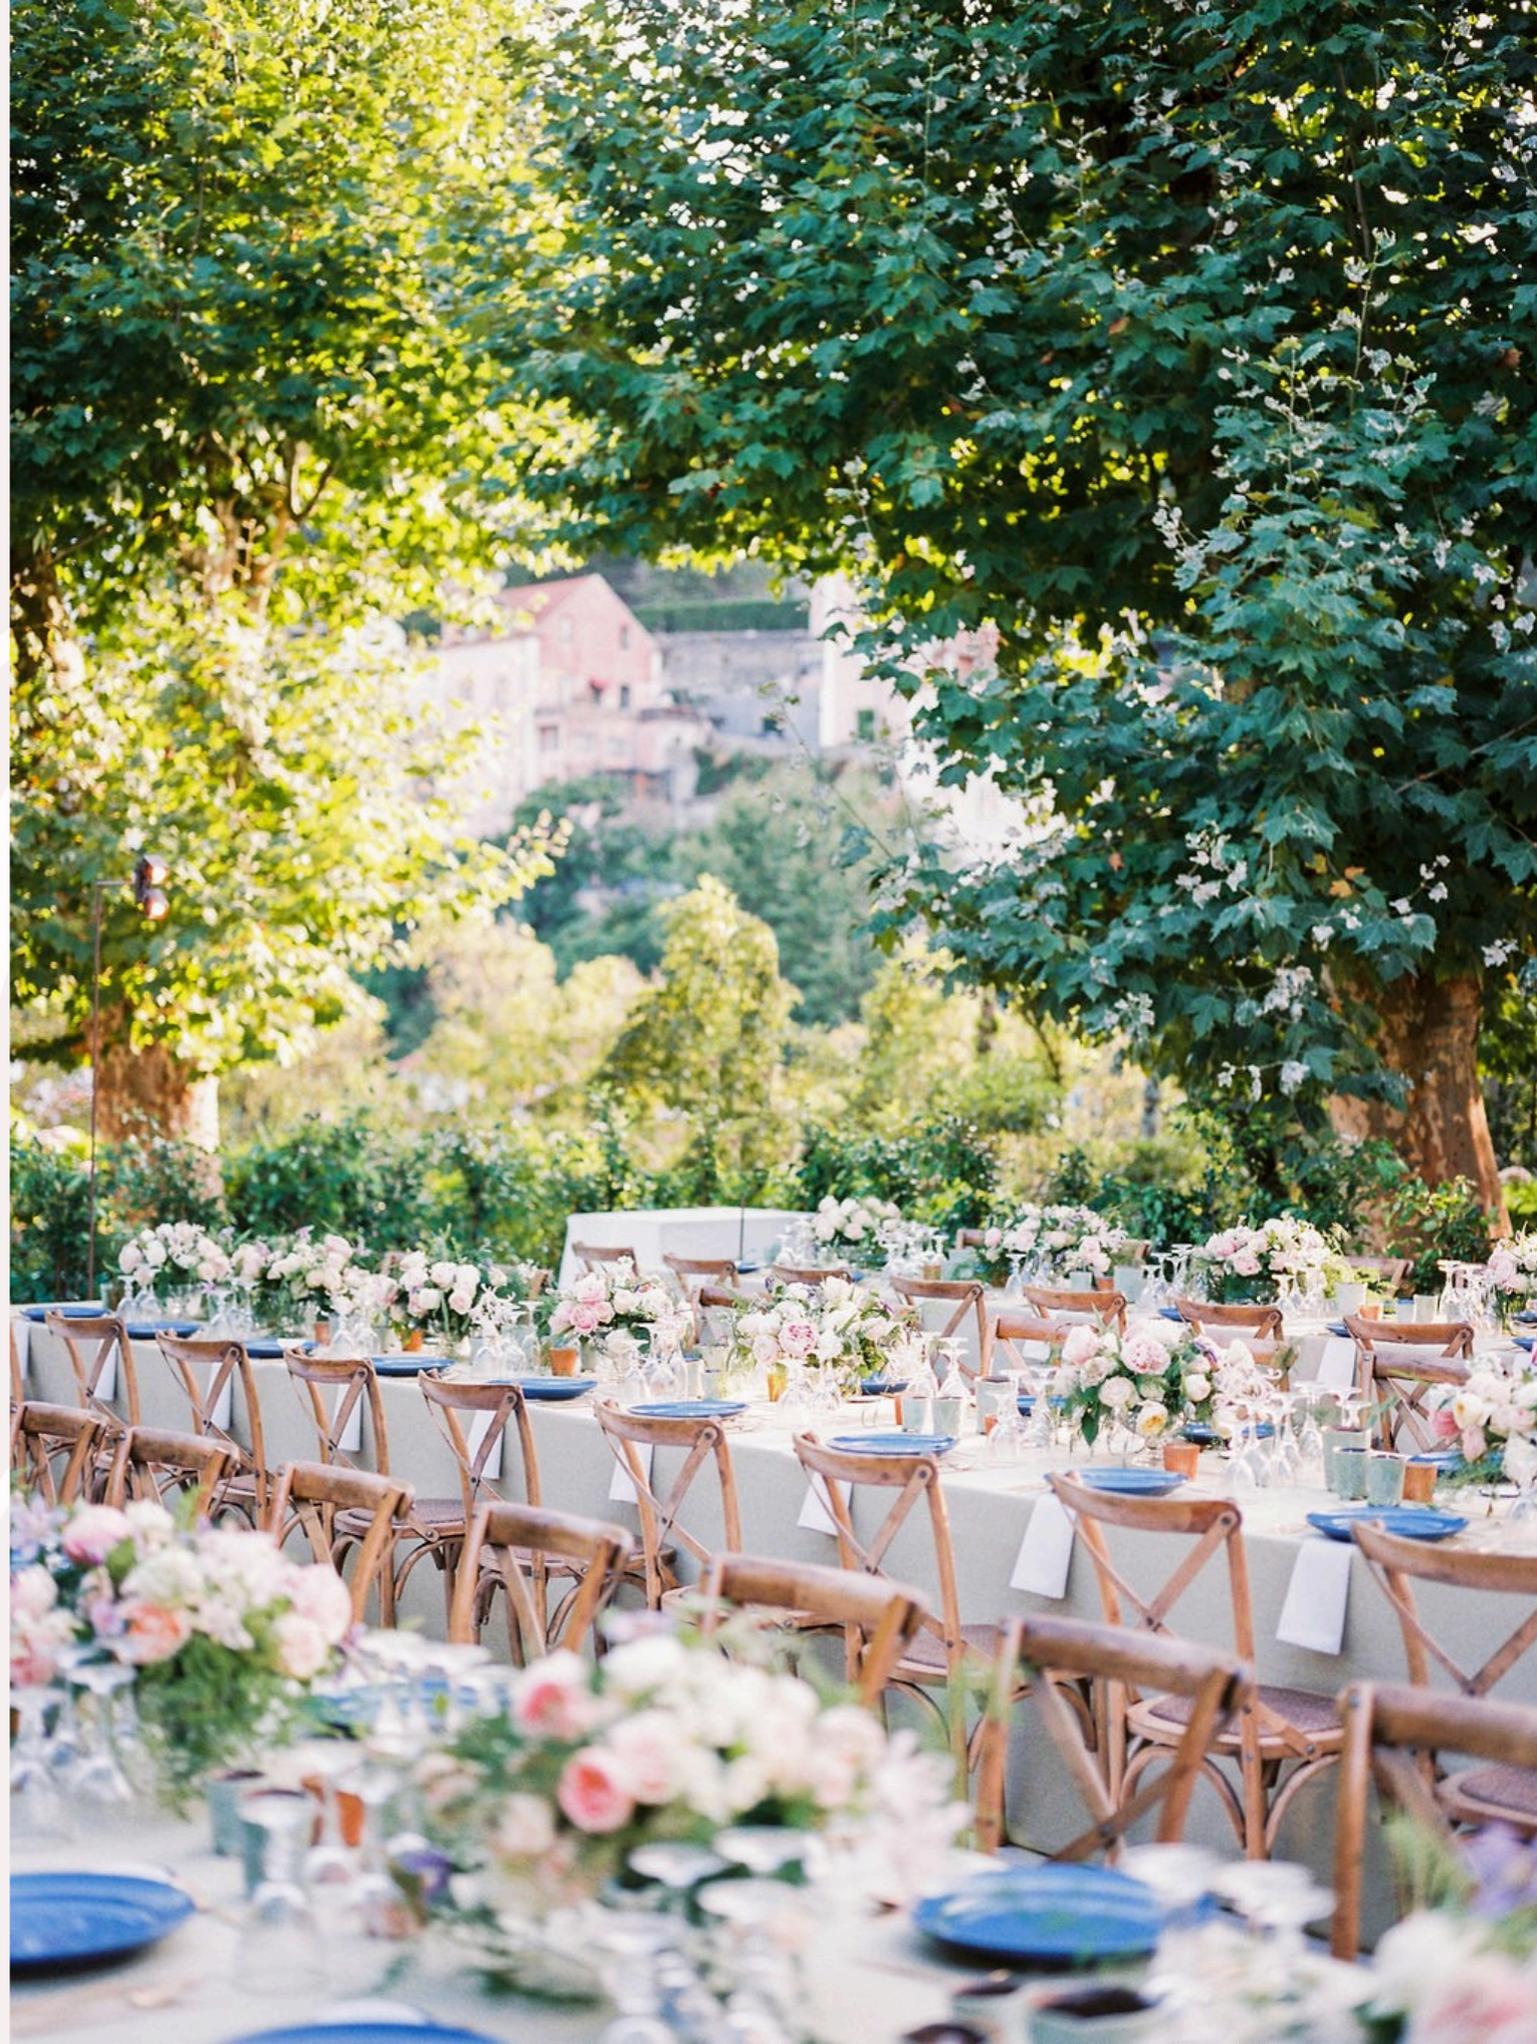

## DESIGN, PLANNING AND PRODUCTION

We take care of the planning process and execute ideas from concept to completion, so you can have a seamless experience.

Right from our first contact with you, through to selecting the venues and vendors, to the completion of your wedding plans, you can count on Jasmine and her team to create an authentic wedding.

We specialise in large and small scale private events and weddings, making sure your unique style and vision are a part of the wedding concept and consistently keep you in the loop of all logistics.

Our refined taste coupled with our expertise in planning complex logistics is ever present.

## PROCESS

After reaching out to us we schedule a call with you so we can answer any questions you may have.

We will then send you a bespoke work proposal for your wedding. Our proposals are tailored to your individual needs and will explain our work in detail and so you know what to expect from us.

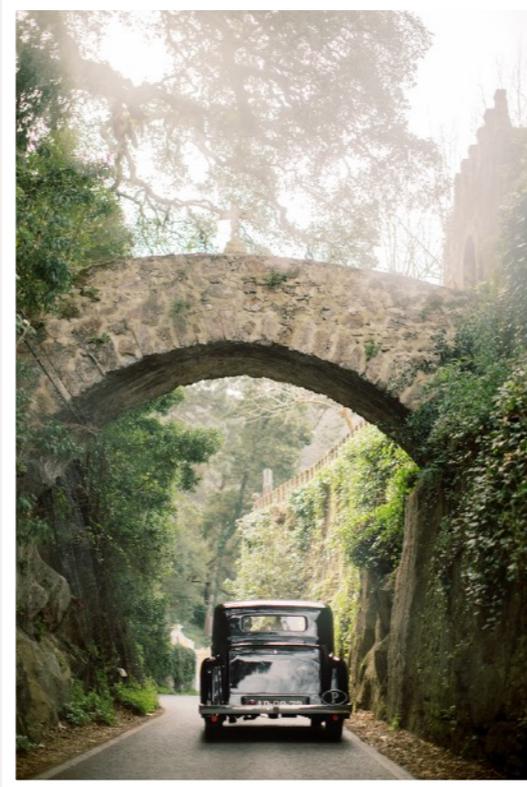

The initial process is concluded with the signing of the contract. This secures the exclusivity of our work on the day of your wedding.

From then onwards, our planning process and creative ideas will surpass all your expectations.

We look forward to transforming your vision into reality.

Let us know your love story!
