Wedding Planner Services

Details of the services

Coordination at 3 months

This option is designed for couples who want to have assistance from three months before the wedding and the day of the event. This service ensures absolute peace of mind on your wedding day. You will be able to enjoy your big day without having to worry about the organization and considering that everything is in the hands of a professional team.

Before the wedding

- € First appointment with your wedding planner **3 months before the wedding.**
- € Preparation of a **check list** of everything that is planned and what remains to be organized. We share our experience to have a more detailed and precise list of what remains to be organized and defined before your wedding day.
- € **Proposal for original details and completion** of the wedding concept. Tips on the wedding theme and new ideas if necessary. We analyze together the concept of decoration of your wedding and we propose original ideas and tips to have a unique and impressive decoration and experience. (We do not include any decoration material but we provide quotes and ideas adapted to your needs and budget).

- ⌘ **Appointments with each of the wedding providers** to agree on the logistics of the wedding day. We make a meeting with you and each of your suppliers to make a summary of what was contracted and define the last details, such as: exact description of the service, hours, sketches, final price, assembly and disassembly.
- ⌘ Internally and directly with each supplier, Six Sens is in charge of planning all the **logistics of your wedding**. Delivery of a **chronology** of the wedding and a **sketch** of the layout to each supplier according to what we have agreed with the couple. We establish a strict and defined schedule for each steps of the wedding. Each provider has very clear instructions and is committed to complying with them on time.
- ⌘ **Personal, telephone or email inquiries**. We are in regular contact and keep you informed of planning progress. You can have complete peace of mind that for any doubt about the wedding we will be at your disposal.
- ⌘ **Our coordination service includes 2 appointments of 2 hours per month with your Wedding Planner**. This is a skype or in person appointment dedicated to a supplier visit or a summary of progress. The rest of the planning is done by emails, digital organization tools and short calls.
- ⌘ Organization of the missing **trials** before the wedding (flowers, tasting, makeup / hairstyle, etc.)

After the wedding

- ⌘ Organization and **coordination of the bride's makeup and hairstyle** on the wedding day.
- ⌘ **Assistance at the hotel where the bride is**. Presence of a coordinator in charge of: delivery of bouquets to the bride and ladies, delivery of the boutonniere to the groom and guests, supervising the arrival of the photographer and video.

Organization of the **photo sessions** on the wedding day. Presence of a coordinator in charge of assisting you during the session: helping the bride with the dress and bouquet, taking care that the photographer respects the indications that we have communicated. If a family session is held, we take care of organizing and attending to your guests during the session.

Organization of the **wedding set-up** and presence of a team of coordinators at the place of the celebration from the start of the set-up. If the assembly starts a few days before the wedding, Six Sens will be present throughout the process.

Coordination of the ceremony. Organization of a trial. Coordination of the wedding procession. Assistance throughout the celebration of the ceremony.

Organization of the **civil wedding** if it is celebrated on the same day as the religious wedding. Six Sens is in charge of finding the judge to celebrate your civil wedding. We inform of the papers you must collect and we take care of the procedure with the judge. We organize your blood tests. We organize the civil wedding: assembly, witness list, music and other details. We collect your civil marriage certificate after the wedding.

Organization of the reception. Reception of the guests. Organization of the wedding protocol and **each step of the celebration** (entry of the bride and groom, toast, dance, master of ceremony, fireworks, dinner, desserts, party, bouquet and end of the wedding).

Coordination of the service of each provider and monitoring of each step of the wedding from start to finish. Ensure that providers provide the contracted service.

Distribution of favors (souvenirs), arrangement of the candy bar and / or chilitos bar, assortment and cleaning of the candy bar and / or chilitos throughout the wedding.

Your main Wedding Planner accompanies you in all planning and is present throughout the wedding with you. A team of coordinators will accompany your Wedding Planner on the wedding day. The number of coordinators is determined by the number of guests and the complexity of your wedding. A person from our team is in charge of taking care of the liquor and delivering it in a controlled way to the waiters. 1 coordinator for 50 guests.

- ⌘ **Music planner** (entrance, first dance, bouquet, garter belt, etc.) Your Wedding Planner is in charge of distributing the fun items and taking care of the good musical atmosphere of your wedding.
- ⌘ **Availability** throughout the wedding for any questions or needs from the bride and groom or guests.
- ⌘ **Disassembly** coordination.

This service doesn't include

- ⌘ Coordination of the wedding day 3 months in advance does not include contracting suppliers. It is a logistics service that requires that the bride and groom have already contracted all the wedding providers.
- ⌘ Does not include guest confirmation (RSVP)
- ⌘ It does not include the allocation of places and the seating of your guests at their tables.
- ⌘ The organization of the makeup and hairstyle of your guests if they stay in a hotel other than the bride or if they did not contract with the main stylist of the wedding.
- ⌘ Assistance to **organize the accommodation of your guests**. We help you to get attractive rates and obtain hotel reservation codes.
- ⌘ Organization of **visits and tours** for your guests. Search for suppliers and contracting.
- ⌘ If one of the bride or groom is a foreigner or both, our service does not include the process of apostilling the certificate and sending it to the embassy after the civil wedding.
- ⌘ If you are Mexican, we do not include sending your civil certificate after the wedding.
- ⌘ We do not include in this service the organization of the civil wedding if it is scheduled other day than the day of the wedding
- ⌘ The coordination of a cocktail before the wedding or a rehearsal dinner is not included in this package neither the organization of a brunch.
- ⌘ The creation of an internet page for the wedding is not included.
- ⌘ The distribution of souvenirs or welcome kit in the hotels where your guests will stay is not included.
- ⌘ Coordination of transportation on the wedding day does not include transportation other than at the main wedding hotel. If transportation must be divided, the extra coordinators will be an additional cost.

- ⊞ Our service does not include personalized transportation from the airport or transportation of the bride and groom upon arrival at the wedding venue.
- ⊞ The search for hotels to host your guests does not include the management of reservations (by the hotel) and payments. Does not include the presence of Six Sens coordinators in the different hotels chosen by your guests.
- ⊞ The organization of the tours and visits does not include: the presence of a Six Sens coordinator in the tours, the fact of collecting the money from the guests for the tours, the management of the reservations of the guests who wish to participate in the tour.
- ⊞ This service does not include making crafts for the wedding (example: bagging chilitos, painting pictures, folding thanks ... etc.).
- ⊞ It does not include a trained coordinator responsible for the coordination of the specific and required security for certain weddings events: identity verification, press management, security protocol and back guard management.

We will be happy to offer and quote you for any additional services and guarantee the good value for money for any additional services required.

Wedding Planner Services

Details of the services

Planning and coordination A to Z

The package is designed for the bride and groom who want to have assistance in all their wedding planning from the first decisions to be made until the day of the wedding. This service ensures absolute peace of mind throughout your wedding planning.

Description of the service

- € First planning appointment with your wedding planner approximately 1 year before the wedding and at least 3 months before the wedding.
- € Making a **detailed list** of what you want to contemplate on your wedding day. Thanks to this check list, a detailed agenda of all the steps to follow in the planning is elaborated and we explain from the beginning all the steps that we are going to carry out.
- € Coordination and planning of your entire wedding, step by step according to the availability and wishes of the bride and groom. We adapt us to your schedules and plan each appointment or each Skype call in advance.
- € This service includes the search and contracting of suppliers. We propose you for each category of the wedding several suppliers selected for their quality and excellent service. We search until we find the perfect supplier for every detail of your wedding and we always guarantee an excellent quality / price ratio.
- € Prepare a **budget** according to your needs. Every month, your Wedding Planner sends you a **summary table of the payments**, what you have paid, the advances and the remaining balances to pay. We send you useful ideas and tools to have a detailed vision and management of your budget.

€ **Design and creation of the wedding concept.** Together we design an original wedding concept and as it will be the reflection of the personality of the bride and groom. We analyze together the concept of decoration of your wedding and we propose original ideas and tips to have a unique and impressive decoration. (We do not include any decoration material but we provide quotes and ideas adapted to your needs and budget).

€ **Unlimited telephone or e-mail consultations.** We are in regular contact and keep you informed of planning progress. You can have complete peace of mind that for any doubt about the wedding we will be at your disposal.

€ Our coordination service includes on average 1 appointments of 2 hours per month with your Wedding Planner. This is a Skype or in-person appointment dedicated to a supplier visit or a summary of progress. The rest of the planning is done by emails and short calls and online organization tools.

€ **Appointments with each of the wedding providers** to agree on the logistics of the wedding day. We make a meeting with you and each of your suppliers to make a summary of what was contracted and define the last details: exact description of the service, schedules, sketches, final price, assembly and disassembly. If the couple does not live at the wedding venue, we organize a 2 to 4 days pre-wedding visit to the destination location during which we carry out all necessary visits and tests (flowers, tasting, makeup / hairstyle, etc.).

€ **Internally and directly with each supplier, Six Sens is in charge of planning all the logistics of your wedding.** Delivery of a chronology of the wedding and a sketch of the assembly to each supplier according to what we have agreed with the couple. We establish a strict and defined schedule for each stage of the wedding. Each provider has very clear instructions and is committed to complying with them on time.

The day of the wedding

- € Organization of the **bride's makeup and hairstyle** on the wedding day and coordination.
- € Organization of the makeup and hairstyle of the guests if they are in the same hotel and if a service of this type has been contracted.
- € **Assistance at the hotel where the bride is.** Presence of a coordinator in charge of: delivery of bouquets to the bride and ladies, delivery of the boutonniere to the groom and guests, supervising the arrival of the photographer and video.
- € Organization of the **photo sessions** on the wedding day. Presence of a coordinator in charge of assisting you during the session: helping the bride with the dress and bouquet, taking care that the photographer respects the directives that we have communicated to him. If a family session is held, we take care of organizing and attending to your guests during the session.
- € Organization of the **wedding setup** and presence of a team of coordinators at the wedding site from the start of the setup. If the assembly starts a few days before the wedding, Six Sens will be present throughout the assembly process.
- € **Coordination of the ceremony.** Organization of the trial. Coordination of the wedding procession. Assistance throughout the ceremony
- € **Organization of a civil wedding** if it is celebrated on the same day as the religious wedding. Six Sens is in charge of finding the judge to celebrate your civil wedding. We inform them of the papers you must collect and we take care of the procedure with the judge. We organize your blood tests. We organize the civil wedding: assembly, witness list, music and other details. We collect your civil marriage certificate in the civil registry after the wedding.
- € **Organization of the reception.** Reception of the guests. Organization of the wedding protocol and **each step of the celebration** (entry of the bride and groom, toast, dance, master of ceremony, fireworks, dinner, desserts, party, bouquet and light and end of the wedding).
- € **Coordination of the service of each provider and monitoring of each step of the wedding from start to finish. Ensure that providers provide the contracted service.**
- € Distribution of favors (souvenirs), arrangement of the candy bar and / or chilitos bar, assortment and cleaning of the candy bar and / or chilitos throughout the wedding.
- € Your main Wedding Planner accompanies you in all your wedding planning and is present throughout the wedding with you. Wedding Planner Services

Details of the services

Complete planning and coordination

The package is designed for the bride and groom who want to have full assistance throughout their wedding planning from the first decisions to be made until the day of the wedding. This service ensures absolute tranquility throughout your wedding planning and includes additional service options that guarantee a high quality service for you and your guests.

Description of the service

- ▮ The complete coordination and planning service includes all planning services from A to Z and also the following services:
- ▮ It includes the allocation of places and the seating of your guests at their tables. We make available to the guests a team of professional hostesses and a coordinator. The style of dressing of the hostesses is at the choice of the bride and groom.
- ▮ If one of the bride and groom is a foreigner or both, our service includes the process of apostilling the certificate and sending it to the embassy after the civil wedding.
- ▮ If you are Mexican or a foreigner, we include sending your civil and religious certificate after the wedding in the republic or abroad.
- ▮ We include the design of a website for the wedding. The couple will have to choose a model in a presented catalog and we take care of the elaboration, design and monitoring.

- ⌘ The coordination of a cocktail before the wedding or a rehearsal dinner is included in this package as well as the organization of a brunch.
- ⌘ The coordination of the transport on the wedding day includes the coordination of the transport in a maximum of 2 different hotels by a coordinator present in each hotel.
- ⌘ This service includes the organization of 1 tour: the presence of a Six Sens coordinator on the tour, the fact of collecting the money from the guests for the tour, the management of the reservations of the guests who wish to participate in the tour.

- ⌘ It includes a trained coordinator responsible for the coordination of the specific and required security for certain weddings: identity verification, press management, security protocol and back guard management.
- ⌘ Includes organizing the makeup and hairstyle of your guests in a single hotel in addition to the main hotel of the wedding.
