No pause

I choose you.

“ I have to say that I have (given my years) seen thousands of wedding photos now, and have yet to see any that match the quality, composure and sheer brilliance of the ones you took during the day. Myself and my wife watched the slideshow together and within just a few minutes the wife was reaching for the tissues!!! Thank you so much once again. Utterly Superb!! Grazie Mille!!!! ”

We had video & photo for our wedding day from Reflexion Weddings team. Damian did amazing job, not only as photographer but as a pleasant person to have him around on big day! He is creative & pictures that he takes are out of this world. Two days after wedding we had another photo shooting on different locations. Damaan didn't mind driving 350+ km just to have perfect location and to take pictures even more amazing. Thank you Reflexion team for being so amazing! You did manage to capture every perfect moment of our fairytale !

FAQ

have a question?

WHAT IS YOUR PHOTOGRAPHY STYLE?

We are acclaimed for developing a unique style of wedding photography that is deeply rooted in wedding photo-journalism while influenced by fine-art and fashion photography. We love using creative lighting, unique perspectives, angles, compositions and artistic post production refining to bring out our clients personalities and beauty while telling their wedding story. We think of ourselves not just as being photographers, but rather artists creating unique and expressive imagery.

WHAT IS THE BEST WAY OF DISCUSSING OUR WEDDING PLANS WITH YOU ?

Great question! The majority of our couples hire us without a live meeting with us.

We response very quickly and are able to answer most questions on line or over the phone. However, we are happy to schedule a Skype video meeting.

WHAT IF OUR PACKAGES DON'T FIT YOUR IDEAS ?

It is no problem at all. Just let us know what would you love to have and together we will create tailored package just for you. Communication is the key to meeting expectations so please email us and let's start talking and sharing ideas.

WHEN WILL WE SEE OUR PHOTOS FOR THE FIRST TIME?

We know that you want to share your wedding day with your friends and family as soon as possible and that is why we'll create an amazing slideshow of 100 images in just 48 hours after the wedding.

Because we take such care in making sure all your edited photographs will look great for years to come, completion of album takes about 6 to 10 weeks.

F A Q

have a question?

I'M IN! HOW DO I BOOK??

Amazing! We can't wait to meet up with you. Simply contact us by email, phone, or by website contact form. We'll schedule a free, no obligation consultation with you to make sure we are a good fit and that we can meet your needs, and then move forward with a contract and deposit to secure the date!

WHAT ABOUT THE PAYMENT?

If you are ready to confirm us as your wedding photographer (Thank you !!!) it is time to make a reservation. 30 % of total price is a booking deposit. Other 70 % should be set before the wedding day or on the wedding if this option works better for. You will get the invoice with all the information so you can set the payment easily. Sometimes, some dates are very popular and we have 2-3 couples asking for the same. We can book only one wedding per day, so we highly recommend to book as soon as possible.

DO YOU TRAVEL?

Absolutely! We love to travel and in some cases you might even get a sweet deal if it's a spot we have never been / want to visit!

We were very pleased with absolutely everything about our wedding photo session made by Reflexion. We felt like a real stars all the way through the photo session. The photographer made us feel very relaxed and comfortable all the way through the photo session. His final result were many excellent photos on which was our love captured in the right moment. We give reflexion studio all the credits for making us such wonderful memories of this perfect day
