GETTOKNOWUS

Matrix Audio Visual & Entertainment has a long standing history with the Events industry of the UAE. Since our inception in 1999 with just 3 people on board, we have expanded and currently are a team of 45 people and are still recruiting...

We carry in house inventory of **Sound, Lights, Video Projectors, LED Walls, Screens, Stage, Trussing, Lasers** and much more...

From the initial enquiry to the final execution, we have dedicated personnel to take care of every aspect of an event.

We are unique, as besides offering rental of technical equipment, we do **concept designing**, and also offer a **vast choice of entertainers** to suit the **theme of an event**. Keeping with the current trend of technology, we also have in house **3D Mapping Experts, Content Development, Interactive Technology Solutions** and **Augmented Reality Solutions**.
