INK & BOWS

(LUXURY CUSTOM EVENT STATIONERY)

Hello

...and thank you for your interest in us.

Here at Ink and Bows, we are firstly a Graphic Design Establishment.

However, what we focus on the most is event/wedding stationery:

So basically:

Invitations Cards
Engagement Envelopes
Programme Outline Cards
Menu / Reception Cards
Champagne Branding

Decals: Wooden/ Mirror Signages, Backdrops Crest Or
Monogram Cut Out, Cake Toppers, Bar Menu.

Guest Books
Paper / Gift Bags
Gift Box
Dance Floors (Sav / Flexy Print)

We also have some souvenir packages (boxes) and we undertake
souvenir branding (embroidery/printing on mugs or stickers)

Anything Involving Paper And Print For Weddings And Events In General.

Our payment terms are 70% deposit before we start, and the balance of 30% paid upon completion.

Menus, decals, Champagne branding and all the other extras are discussed as per the clients
preference since not everyone is interested in that.

Invitation Cards

Our invitations are mostly custom made to the clients specification.

This means that should you see something on our pages that interest you,
or from any wedding stationery page/site, you can show us so we discuss it.

If it's exactly what we've done you can get a quotation right away.

If you want to tweak it a little bit to fit your preferences we will do that and
let you know how much that will cost.

The second way we prefer to deal with things is working with you on with your budget. Once we know how much you are willing to spend on an invitation or your whole event stationery, we can come up with a range of cards to fit your needs.

Engagement Envelopes

These come as a complimentary package with wedding Invitations only.

On the regular, the Envelopes are ₱10.00 and ₱15.00.

Should you order a particular range of cards, you will have the envelopes at a reduced cost or even free.

Programme Outline

The only products that we have that we're certain of the price ranges are the programmes outlines. Please note:

- * Minimum quantity we print for the programme outline is 100pcs
- * The more programmes printed the less the unit cost.
- * Programmes comes in one colour print, two colours or full colour.
(Totally depends on the customer's choice).
