

A black and white photograph of a bride and groom in a field. The bride is wearing a long, lace-trimmed wedding dress and is looking up at the groom. The groom is wearing a dark suit and is looking down at the bride. They are standing in a field with smoke or mist rising from the ground around them. In the background, there are rolling hills and a town with lights. The sky is cloudy.

STUDIO RIGHI

righiphotography.com

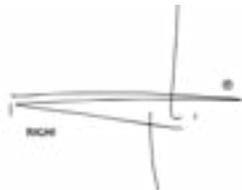

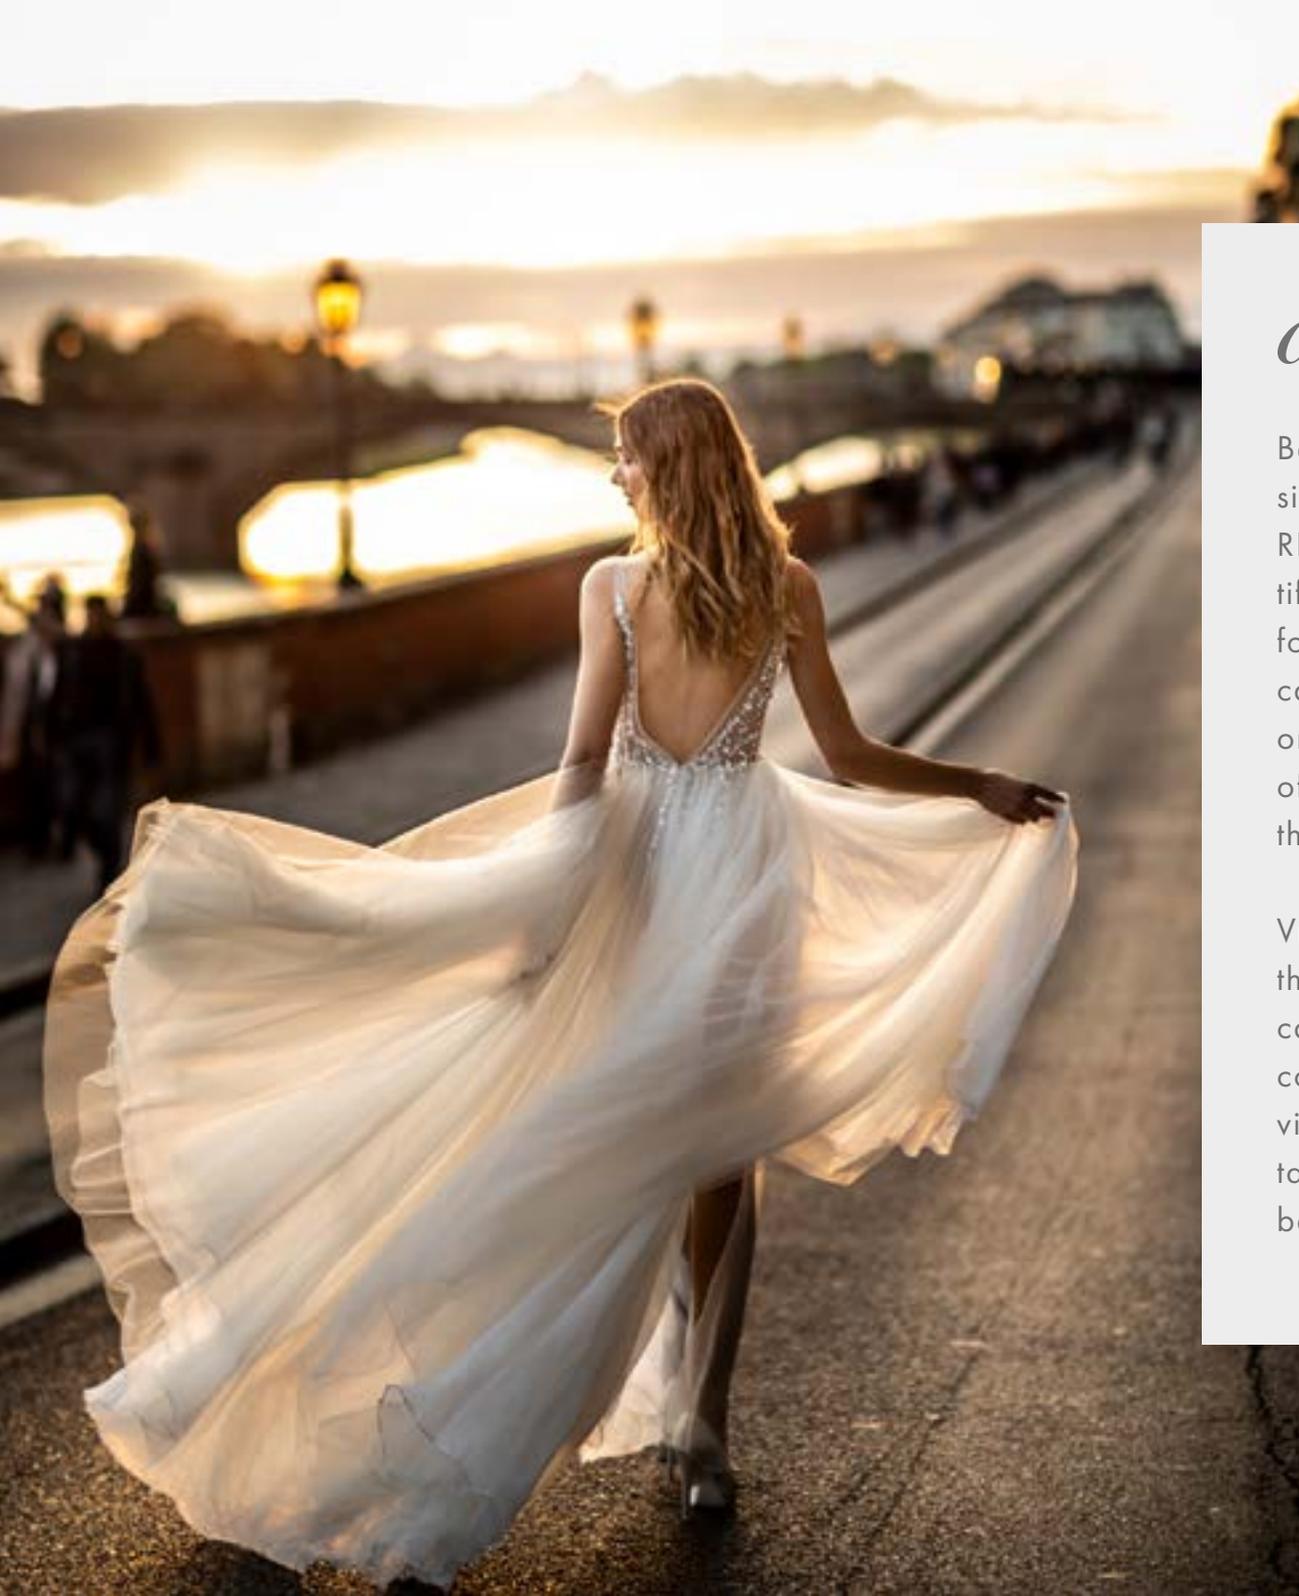

*every detail.
forever*

How many pictures pass on your phone every day?
How many of these remain in your memories?

We want to slow you down to still excite you in front of a precious image, to savour every detail made of light, every sensation gathered in the shade, to stop time. The satisfaction of touching a fine art print, the experience of leafing through an album, of having precious and solid materials in your hands, a substance in an inconsistent world... We want to give you a timeless memory, a deep memory and unique, unforgettable images.

about

Based in its original location in the heart of Tuscany since more than 60 years, STUDIO FOTOGRAFICO RIGHI travels around the world to tell the most beautiful stories through images. Whether you're looking for pictures for a fashion editorial, an advertising campaign, a design or lifestyle editorial, or a private or corporate event, the strong and elegant character of RIGHI's images has a compelling editorial taste that makes them unique.

Video productions for the art and advertising world that have inspired new trends, innovations that have cascaded into video making for both private and corporate worlds, a cinematographic approach to video photography, the meticulous attention to details in shooting and a modern editing style have all been our trademark since 1954.

team

Righi Photography is made up of a team of professionals who has been experimenting and innovating since 1954 with great passion for the visual arts and most of all photography.

As in a Renaissance workshop the result comes thanks to teamwork, better together! We prefer the consistency and reliability of a team, to the limits of the individual, a daily growth for us, a guarantee for the customer. The working method is based on some fixed points, to deliver wedding photos and tailored wedding videos:

- listen deeply to the history, desires and vision of those who trust us;
- build a customized project, in style and cost;
- use the most appropriate and cutting-edge techniques and equipment;
- focus creatively to bring life to the images you wanted.

photos and videos for weddings and engagements

Your story is important and we want to tell it. Guided by the passion for this job and the joy of being part of one of the most important days of your life, we create unique and special wedding photos tailored for you, as in a tailor's shop. For your wedding choose the style that more represent you, from the no pose style up to the more classic style, here you will always find what is right for you, always tailor made.

In an engagement photo shoot, we capture the most magical and intense moments of your couple before the big day, before saying "I do" and bonding to each other forever, a precious memory before the beginning of a new life together.

For the delivery of the photos, you can choose various solutions for your every need: From the digital format, in an elegant wooden USB pen, to the personalized Righi Magazine, a real magazine of your wedding, or an artisan album with fine art prints on top quality paper.

SCOPRI LA GALLERY

WEDDING MOVIE

photos and videos for events

Turn your important event into an unforgettable memory. Your event is a special occasion in which important and precious moments become memories. Think like a professional photoshoot will allow you to capture the emotions of the party and relive them at all times.

Your child's most important milestones, anniversaries, birthdays of loved ones, or the great successes achieved in the company deserve to be captured in quality photos and videos.

Immediately after the event ... the party continues on the online platform that we put at your disposal to choose, download and share your photos. A special service that allows you, in a simple click, to access a complete web gallery with all the photos of the event.

Telling a story through images is a great source of inspiration for us.

For this reason, alongside wedding photography services, we have always supported different activities in the field of art, fashion, advertising and publishing.

editorial photographic services & lifestyle

Our experience comes from the collaboration with art directors, designers and picture editors who have involved us in publishing projects and new challenges. Taking photos for magazines allows us to work on the editing of many magazines and discover wonderful editorial realities. We carry out the work of the editorial photo reporter with passion, aware of the fact that our images will enter the imagination of the reader.

Tell us about your project, we will be happy to be your glance and give shape to your story!

shooting in our photographic studio

In photographic studio, creativity takes shape with modulated lights and shadows and coloured backgrounds. Your image tells who you are or who you would like to be. Timeless and placeless images, perfect in every detail.

- **NEWBORN AND KIDS PHOTOGRAPHER** Taking photos of children is a passion that we have always cultivated. We believe that your child's portrait is as precious as his smile. Just what you love most, we can fix it forever in time with a photo.

- **FAMILY AND MATERNITY PORTRAITS** In our studio, we can create family portraits that will become a memory of great value, simple as the scent of bread but capable of making you relive that joyful moment forever.

- **BOOK FOR PROFESSIONAL** The image of a professional is an important business card, the first impression is what matters. Your essence is in your eyes, express your value by looking straight at our camera! You are a professional and you deserve a professional photo.

analogic photography

If you are looking for a special emotion in photography, we can create a timeless, truly unique and precious product: fine art prints with the old method of silver salts. These are prints made exclusively by hand, in an artisan darkroom on precious baryte paper.

We have kept the ancient techniques of development and printing from analogue negative. The better way to preserve your memories over time.
