Galateo Ricevimenti

Galateo Ricevimenti has been catering for events since 1995 and it is specialized in custom events tailored to the clients' need.

Our philosophy is simple: we offer bespoke, first class service and quality catering to privates and companies in Italy and abroad. Availing itself of a professional team and more than 50 experienced employees and being always attentive to trends, Galateo can design set ups and menus to suit all clients' vision and make each event one-of-a-kind.

No matter the size and the venue you choose, we cater for any number of people from 2 up to 3,000 and more.

Galateo is able to cater to any kind of event: weddings, corporate, private, social, fashion...from simple elegance to ostentatiously fabulous. We focus on each detail while providing a high-end catered experience, making sure to deliver perfection in every aspect of food and service. Whether it is an intimate gathering or a lavish wedding reception, we have the staff, the professionalism and the ideas to ensure every event is unforgettable.

Galateo is proud of using the best quality products together with highly talented chefs able to provide bespoke menus, based on Tuscan and Mediterranean cuisine combined with fusion or multi-ethnic flavours' inspiration.

Our reputation as extraordinary catering has been widely praised not only by our devoted clients that have been choosing us for over 20 years, but also by all the celebrities and members of Royal families who relied on us for their weddings and events.
