## Luka & Ben wedding planning

When you take us for your wedding planners you get

- best service with 15 years of wedding planning experience
- wedding planning, organisation and coordination
- unlock to best in business - best photographers, best video production, band, cakes and of course location.

## Unlimited experience of premium wedding planning in Slovenia and abroad

On your wedding journey we will take you to an amazing experience and unforgettable trip to your wedding day. Come along, let's ride on the wings of love.

We understand the business - nothing is strange to us - we speak only about wishes, expectations and results.

## We have the right way to your dream day

We are there for you - not just a year before the wedding, but also on your wedding day. We take the worries on our shoulders. We encourage others to put all the energy and knowledge & experience to make your wedding day a dream day.

**Working only with our partners** - the only way to make things right - first time and one time.

## The team

Ben - wedding planner & founder; takes cares for all the meeting with you and all the technical team - photographers, etc.... Ben takes care also for the protocol on the wedding day.

Luka - art director - anything and everything visual is on his site. Flowers, decoration, design, make up, bride dress, .... etc. Luka has an eye for the style.

Sonja - junior member; Sonja as we call her Sonči is our junior member and she is Luka's second hand. She helps also with the protocol and she is a helping hand in need all the time.

A year of planning, meetings etc. and a wedding day 6.900 eur.
